

A decorative waterfall in a garden. The waterfall is constructed from several large, dark, rounded stones. Water flows from the top stone down to a pool of water at the bottom. The waterfall is surrounded by lush green ivy that covers the wooden fence in the background and the rocks. In the upper left corner, there is a small, ornate metal structure, possibly a garden ornament or a small fountain. The overall scene is a well-maintained garden with a naturalistic feel.

Genesis 25:08 Then Abraham gave up the ghost, and died in a good old age, an old man, and full of years; and was gathered to his people.
